

CUCUMBER ANTIOXIDANT MASK

pH	5.4
SKIN TYPES	Appropriate for all skin types including sensitive and acne prone.
DESCRIPTION	Abi's Cucumber Antioxidant Mask with a cooling blend of cucumber, aloe, and green tea nourishes and calms over-stressed skin. This ultra-gentle gel mask kills bacteria and visibly reduces redness, irritation, and inflammation leaving the skin feeling cool, soothed, and refreshed. It is loaded with proteins, vitamins, minerals, and fatty acids providing long lasting antioxidant protection. It is recommended as a calming and soothing mask for all skin types, including sensitive skin.
BENEFITS	<ul style="list-style-type: none">• Calms over stressed skin and balances overly oily or dry skin.• Reduces inflammation.• Provides antioxidant protection.• Increases skin hydration and moisture retention.• Reduces the appearance of pores.
DIRECTIONS	<p>Professional Use- Smooth a generous layer of Abi's soothing Cucumber Antioxidant Mask over cleansed skin, avoiding eye area or open cuts. Allow this calming mask to penetrate skin for 10-15 minutes. Rinse thoroughly with luke-warm water and follow with additional Abi therapeutic products. Do not get in eyes; discontinue use and rinse immediately if any irritation or adverse reaction occurs.</p>
ACTIVE INGREDIENTS	<p>Cucumber Extract - Contains amino acids and minerals that provide an anti-inflammatory, cooling, and soothing effect on the skin.</p> <p>Spirulina Maxima Extract – is a naturally occurring blue-green algae with a high content of vitamin A, vitamin B-12, vitamin E, calcium, iron, and phosphorus. It can help balance oily or over dry skin and contains natural antimicrobial properties for destroying the bacteria that cause breakouts.</p> <p>Green Tea- Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage within the skin. It is also an astringent that naturally reduces pore size.</p> <p>Aloe Vera- Aids in calming and soothing dry and irritated skin. Aloe vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available. It is extremely soothing and protective. It is also a natural astringent.</p> <p>Tocopherol (Vitamin E)- is known as an antioxidant "superstar" due to its incredible healing and repairing properties and provides natural protection from damage caused by the sun.</p> <p>Gotu Kola (Centella Asiatica Extract)- has been shown to reduce inflammation and stimulate wound repair to restore barrier function.</p> <p>Equisetum Arvense Extract (Horsetail)- is an antioxidant-rich plant extract which contains high levels of silicic acid to strengthen connective tissue and reduce fine lines and wrinkles. Its anti-inflammatory and antimicrobial properties promote skin healing.</p>
