

PRO-COLLAGEN BOOSTING SERUM

pH	
SKIN TYPES	Appropriate for all skin types.
DESCRIPTION	ABI's Pro-Collagen Boosting Serum with Hyaluronic Acid is formulated with a blend of concentrated skin smoothing and collagen boosting peptides. These small peptides have the ability to penetrate into the lower layers of tissue where they can be utilized by the body. This age-defying serum reduces the appearance of fine lines and wrinkles, enhances elasticity, and provides optimal hydration for a firmer, youthful complexion.
BENEFITS	<ul style="list-style-type: none">• Stimulate collagen production.• Promote healthy cell function and detoxifies skin tissue.• Reduce inflammation.• Increases skin hydration and moisture retention.• Free-Radical protection.
DIRECTIONS	Home Care- Cleanse with Exfoliating Enzyme Wash, apply a single pump of Pro-Collagen Boosting Serum over entire face and neck area twice daily. Massage gently into the skin and allow to absorb before applying any other ABI therapeutic products. Use morning and night. Professional Use- Pro-Collagen Boosting Serum should be used at the end of a facial. It's applied after the facial cleansing and/or clinical procedure(s) such as microderm that has been performed to assist with tissue repair. It should be applied prior to applying any moisturizer or sunblock.
POWER PURE™ INGREDIENTS	Syn-Coll (Palmitoyl Tripeptide-5) -supports cell function and stimulates collagen production. TEGO® Pep 4-17 (Tetrapeptide-21) - showed a 25% improvement in skin roughness and depth of fine and coarse wrinkles. Copper Tripeptide-1 –stimulates the production of collagen while counteracting free radicals. It helps reduce inflammation and stimulates tissue remodeling.
ACTIVE INGREDIENTS	Matcha Green Tea- Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage and reduces inflammation within the skin. It contains powerful antioxidants and promotes skin regeneration and wound healing. Sodium Hyaluronate (Hyaluronic Acid) – Increases moisture retention, provides a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance. Aloe Vera- Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available. It is extremely soothing and protective. It is also a natural astringent. Sepitonic®M3- This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone and restoring skin vitality. <ul style="list-style-type: none">• Magnesium- encourages protein synthesis and phosphates transfer.• Copper- encourages synthesis of ATP, keratin and collagen.• Zinc- helps combat aging by stimulating reversal of the collagen matrix.
COMPLETE INGREDIENT LISTING	Aloe Barbadensis Leaf Juice, Dimethylaminoethanol (DMAE), Sodium Hyaluronate, Palmitoyl Tripeptide-5, Glycerin, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, Tetrapeptide-17 Methylsulfonylmethane (MSM), Aspalathus Linearis Leaf Extract, Simmondsia Chinensis Seed Oil, Camellia Sinensis Leaf Extract, Copper Tripeptide-1, Salix Alba Bark Extract, Tocopheryl Acetate (vitamin E), Helianthus Annuus Seed Oil, Niacinamide, Cetearyl Alcohol, Polysorbate 60, Xanthan Gum.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	Retail 1oz.
