

CORRECTIVE OIL FREE MOISTURIZER

pH	4.0
SKIN TYPES	Appropriate for oily and acne prone skin. Do not use on sensitive skin.
DESCRIPTION	ABIs Corrective Oil Free Moisturizer is a light silky cream that is absorbed quickly and completely by the skin. It utilizes Aloe and Allantoin to calm irritation, redness and inflammation while jojoba and hyaluronic acid boost the skin's natural hydration levels and restore balance. Excellent for both sensitive and acne prone skin.
BENEFITS	<ul style="list-style-type: none">• Increase skin hydration and reduces water loss.• Reduces inflammation and calms dry, irritated skin.• Increases cell renewal and softens skin.• Lightens and brightens uneven skin tone.
DIRECTIONS	<p>Home Care- Cleanse skin thoroughly with ABIs Corrective Wash and apply any other Corrective products that are needed. Then massage a liberal amount of Corrective Moisturizer over entire face and neck area twice daily and as needed. Allow to absorb completely before applying make-up or sunscreen.</p> <p>Professional Use- Corrective Oil Free Moisturizer should be used as your moisturizer during a facial. It's generally applied after the facial cleansing and/or clinical procedure(s) such as microderm that has been performed to assist with tissue repair.</p>
POWER PURE™ INGREDIENTS	<p>Aloe Vera- Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available. It is extremely soothing and protective. It is also a natural astringent.</p> <p>Niacinamide (B3) – A water soluble vitamin that is proven to be stable in the presence of light and heat. It is an anti-inflammatory agent that helps to reduce the acne “P” bacteria. Studies have shown that Niacinamide stimulates microcirculation in the dermis, increases ceramide and fatty acid levels in the skin, reduces water loss and increases hydration.</p> <p>D-Panthenol (Vitamin B5) - Penetrates quickly and effectively into the skin providing assistance in tissue repair. Also works as an anti-inflammatory agent and helps to minimize sun damage.</p>
ACTIVE INGREDIENTS	<p>Hyaluronic Acid – Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance.</p> <p>Allantoin- An effective healing agent that helps to promote cellular renewal and it has a soothing and softening effect.</p> <p>Jojoba Seed Esters- Effective moisturizer and emollient that helps to improve skin elasticity and suppleness, containing natural tocopherols that minimize oxidation and lipid peroxidation. Jojoba oil is strikingly similar to human sebum and is able to effectively penetrate the skin. It is a natural cellular renewal ingredient as well as an excellent moisturizer.</p>
COMPLETE INGREDIENT LISTING	Aloe Barbadosis (Organic) Leaf Juice Powder, Caprylic/Capric Triglyceride, Niacinamide, Simmondsia Chinensis (Jojoba) Esters, Populus Tremuloides (Aspen) Bark Extract, Panthenol (D), Sodium Hyaluronate (Hyaluronic Acid), Allantoin, Cetearyl Alcohol, Sodium Stearoyl Lactylate, Glyceryl Stearate.
