

# HYDRATING SOY CREAM

---

<b>pH</b>	3.5
<b>SKIN TYPES</b>	Appropriate for all skin types including sensitive and acne prone.
<b>DESCRIPTION</b>	This intense healing moisturizer increases hydration and protects the skin against water loss while promoting tissue repair. It restores the natural suppleness of the skin that is usually lost as we age and are exposed to environmental pollutants. This thick cream based product is ideal for use after chemical peels and for post laser care.
<b>BENEFITS</b>	<ul style="list-style-type: none"><li>• Assists with tissue repair and promotes healthy skin.</li><li>• Increases skin hydration and moisture retention.</li><li>• Protects against free radical damage.</li><li>• Reduces inflammation.</li></ul>
<b>DIRECTIONS</b>	<p><b>Home Care-</b> For Daily use: Apply a thin layer following ABI's moisturizing Antioxidant. Allow the cream to absorb completely before applying ABI's Firming Peptide Cream or Sensible sunscreen.</p> <p>Post laser Care: Cleanse skin with Exfoliating Enzyme Wash, apply an ample amount of Hydrating Soy Cream twice daily, covering the entire targeted area. Allow to completely absorb before applying any other ABI products or sunscreen.</p> <p><b>Professional Use-</b> Apply an ample amount following any ablative procedure that has stripped the skin of its hydration and protective barrier. It is often used for post peel and post LIGHTWAVE recovery. Please see LIGHTWAVE protocols.</p>
<b>ACTIVE INGREDIENTS</b>	<p><b>Soy-</b> A potent antioxidant and anti-inflammatory agent that is rich in vitamin E and helps to improve skin clarity and promote collagen synthesis.</p> <p><b>Jojoba Seed Oil-</b> Effective moisturizer and emollient that helps to improve skin elasticity and suppleness, containing natural tocopherols that minimize oxidation and lipid peroxidation. Jojoba oil is strikingly similar to human sebum and is able to effectively penetrate the skin. It is a natural cellular renewal ingredient as well as an excellent moisturizer.</p> <p><b>Black Currant Seed Oil-</b> Is natural plant oil that promotes healthy skin growth. Also contains GLA (Gamma Linolenic Acid) which is a powerful antioxidant and cell regulator.</p> <p><b>Tocopherol (D-alpha) -</b> Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and also provides natural protection from damage caused by the sun.</p> <p><b>Squalane-</b> Helps to improve skin elasticity and hydration. Excellent emollient which has antioxidant and immune stimulating properties. Squalane is non-comedogenic.</p> <p><b>Rosehip oil-</b> Is rich in essential fatty acids, vitamins and minerals. It has natural anti-oxidant properties and is slightly astringent. Rosehip oil has been shown to help improve skin elasticity, regenerate skin cells, slow down premature aging, reduce the formation of wrinkles, and also reduce scarring.</p>
