

MATCHA GREEN TEA WITH ALDENINE[®] PCB

pH	N/A
SKIN TYPES	Appropriate for all skin types including sensitive and acne prone.
DESCRIPTION	This transparent bio-active cellulose mask is excellent for delivering free radical protection and improving results from LED light therapy as well as other professional treatments. Matcha green tea has been shown to be very effective at reducing inflammation and improving overall skin health. When combined with Aldenine [®] PBC, this powerful mask provides excellent protection from RCS damage while stimulating skin regeneration and collagen production.
BENEFITS	<ul style="list-style-type: none">• Promotes healthy skin.• Increases skin hydration and moisture retention.• Soothes and protects dry and ablated skin.• Reduces inflammation.
DIRECTIONS	<p>Professional Use- Make sure the skin is clean and ready to accept the mask. Open packet using tear tab. Slide out mask. The mask is made up of 3 layers. Only the middle layer will be used. Remove the rough top layer and discard. Apply the soft bio cellulose mask directly to the skin. Remove the other rough side of the mask. Smooth out the bio-cellulose mask so it fits and adheres to the skin. Allow the skin to penetrate for 10-15 minutes. Remove the used mask and discard. Pat in any excess skin care left on the skin. Apply any additional products as needed. Allow gel to penetrate completely before applying any other post care products including sunscreen.</p>
ACTIVE INGREDIENTS	<p>Matcha Green Tea- Potent antioxidant with powerful anti-inflammatory properties that reduces free radical damage and reduce inflammation within the skin. It contains powerful antioxidants and promotes skin regeneration and wound healing.</p> <p>Sodium Hyaluronate (Hyaluronic Acid) – Increases moisture retention, provides a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance.</p> <p>Aldenine[®]PBC- Detoxifies the skin tissue and neutralizes harmful Reactive Carbonyl Species (RCS). It protects the skin cells from photoaging and UVA induced DNA damage. This potent peptide blend significantly boosts Collagen III synthesis to help tighten and firm the skin for a noticeable improvement.</p> <p>Aloe Vera- Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin). For this same reason, it is one of the most effective cellular renewal ingredients available. It is extremely soothing and protective. It is also a natural astringent.</p> <p>Sepitonic[®]M3- This multi-mineral chrono-energizing agent is made up of Magnesium, Zinc and Copper. These elements help to maintain skin function and stimulate cellular regeneration while enhancing and brightening skin tone, and restoring skin vitality.</p> <ul style="list-style-type: none">• Magnesium- encourages protein synthesis and phosphates transfer.• Copper- encourages synthesis of ATP, keratin and collagen.• Zinc- plays a role in the synthesis of DNA. It helps combat aging by stimulating reversal of the collagen matrix.
COMPLETE INGREDIENT LISTING	Purified Water, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate, Camellia Sinensis Leaf Powder, Sodium Hyaluronate, Aloe Barbadensis Leaf Extract, Hydrolyzed Soy Protein, Hydrolyzed Wheat Protein, Tripeptide-1, Ascophyllum Nodosum Extract, Dipotassium Glycyrrhizate, Sodium PCA, Cucumis Sativus Juice, Xylitol, Inositol, Sorbic Acid, Carbomer, Dimethyl MEA, Caprylyl Glycol, Phenoxyethanol, Butylene Glycol, Xanthan Gum.
CAUTIONS	Avoid getting the product in the eyes.
AVAILABLE SIZES	Professional: 4 Masks per box
