

RESVERATROL ILLUMINATING SERUM

SKIN TYPES	Appropriate for all skin types, including those with rosacea and eczema.
DESCRIPTION	ABI's Resveratrol Illuminating Serum with Niacinamide promotes bright, healthy skin. It is an excellent choice for minimizing redness and inflammation while actively combating the signs of aging. Our time-released encapsulated Resveratrol delivers powerful polyphenols to the lower layers of skin at their optimal potency to protect against cellular aging. This powerhouse antioxidant serum hydrates, lightens, brightens and protects for a more radiant, lasting luminous complexion.
BENEFITS	<ul style="list-style-type: none">• Boost skin's natural barrier function.• Reduce redness and inflammation.• Reduce fine lines and wrinkles and stimulate the production of elasticity.• Protects against oxidative stress and free radicals.
DIRECTIONS	<p>Home Care- Cleanse with Exfoliating Enzyme Wash, apply a single pump of Resveratrol Illuminating Serum over entire face and neck area. Massage gently into the skin and allow to absorb before applying any other ABI therapeutic products. This serum provides maximum benefit when used at night. It can be combined with our Skin Perfecting Retinol for maximum benefit.</p> <p>Professional Use- Resveratrol Illuminating Serum should be used at the end of a facial. It's applied after facial cleansing and/or clinical procedure(s). It should be applied after cleaning and prior to applying any moisturizer.</p>
POWER PURE™ INGREDIENTS	<p>SalSphere® Encapsulated Resveratrol – A stable form of the potent polyphenol, resveratrol. It helps protect skin from negative environmental influences and helps prevent oxidation and discoloration. It brightens a tired-looking complexion and has significant skin-calming and firming properties that help fight the overall aging and prematurely aging process.</p> <p>Procyanidin B2- is a powerful polyphenol and antioxidant extracted from apples, which promotes cell growth and rejuvenation. It inhibits the formation of advanced glycation end-products (AGE) that cause wrinkles and dull skin tones.</p> <p>Niacinamide (B3) - Studies have shown that Niacinamide smoothes out wrinkles and inhibits photocarcinogenesis. It stimulates microcirculation in the dermis, increases ceramide and fatty acid levels in the skin, reduces water loss, reduces inflammation, and increases hydration.</p>
ACTIVE INGREDIENTS	<p>Aloe Barbadensis - Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotics and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin).</p> <p>Medical Grade Hyaluronic Acid - Increases moisture retention, providing a more hydrated and supple skin texture. Hyaluronic Acid holds more hydration to the skin than any other natural substance.</p> <p>Tocopherol (Vitamin E)- Is known as an antioxidant "superstar" due to its incredible healing and repairing properties and provides natural protection from damage caused by the sun.</p> <p>Butyrospermum Parkii (Shea Butter) - strengthens the skin and contains its own natural tocopherol, which is a potent antioxidant. Shea butter consists of numerous fatty acids and triglycerides.</p>
COMPLETE INGREDIENT LISTING	Aloe Barbadensis Leaf Juice, Glycerin, Niacinamide, Purified Water, Resveratrol, Butyrospermum Parkii (Shea Butter) Fruit, Sodium Hyaluronate, Persea Gratissima Fruit Oil, Lecithin, Cetearyl Tocopheryl Acetate (vitamin E), Helianthus Annuus Seed Oil, Melia Azadirachta Seed Oil, Rosmarinus Officinalis Leaf Extract, Cera Alba, Citrus Paradisi (Grapefruit) Oil, Polysorbate 60, Xanthan Gum, Disodium Coco-Glucoside Tartrate, Potassium Sorbate, Phenoxyethanol, Tetrasodium Glutamate Diacetate.
